Rise of the Champions

Poland captures Gold Trophy, while Dilip Atha IV survives a nail-biter in Silver

In the Gold Segment, it was nothing short of a T20 version of bridge, as Team Poland swept aside Nest Inn in just two sessions, registering a thumping victory by 109 IMPs over 28 boards — an insurmountable margin that crowned them worthy champions. In the Playoff, Mavericks show cased their supremacy, defeating Team Tolani with a segment to spare.

In the Silver Segment, the battle went down to the wire between Dilip Atha IV and KKK Bridge Lovers. With just 7 IMPs separating them entering the final segment, the contest swung back and forth, keeping both sides in contention. Ultimately, DilipAtha's team held their nerve to scrape through by just 2 IMPs in a thrilling finish.

The Swiss Open Teams Final saw Team Formidables dominate early, but Dhampur Sugar Mills mounted a spirited comeback to snatch victory in the last set by a narrow margin.

In the Swiss Matchpoint Pairs, contested by 80 pairs, Sayantan Kushari - Kaustubh Bendre emerged winners, followed by Shambhu Nath Ghosh - Biswajit Poddar.

The Mixed Pairs event was won by Bindiya Naidoo – Priya Ranjan Sinha, while P. Narayan Iyer – Amulya Rao Atluri impressed with an outstanding runner-up performance in a highly competitive field.

- The Organising Committee

EA Bridge International Bridge Championship, 2025 Express Avenue Mall, Chennai, Tamil Nadu, India.

Debasish RayOrganising Secretary

Dear Friends of the 1st EA International Bridge Championships, Chennai. It has been my privilege to serve as the Organising Secretary of this historic event. I am deeply obliged to Ms. Kavita Singhania for giving me the opportunity to be part of this grand endeavour. I am confident that both Indian and international participants will cherish the experience of this championship, remembering the finer details of the competition for years to come. My heartfelt thanks go to every member of our host team at E Hotel and EA Infrastructure Pvt. Ltd. for creating a wonderful ambience within one of the largest shopping malls, for providing delicious food, and for their round-the-clock support.

I must also acknowledge the dedicated efforts of the Tournament Directors, Scorers, the dealing team, and our ever-helpful caddies. Above all, I am most grateful to the six hundred participants who travelled from different parts of the world. Without your presence, our efforts could not have borne fruit. While I feel a touch of sadness as we draw the curtain on this year's championship, I look forward with optimism and excitement to welcoming you again in the years ahead — with even greater brilliance and warmth.

Wish you all safe journey.

Sudhir Aggarwal CTD of the Tournament

Dear Players, Committee members, and Esteemed Guests,

I would like to extend my heartfelt thanks and congratulations to everyone who either participated or was involved in the successful completion of the EA Bridge International Bridge Tournament.

Over the past 6 days, we witnessed outstanding displays of skill, strategy, and sportsmanship from players across the globe. It has been truly inspiring to see the bridge community come together in such a spirit of camaraderie and competition.

I hope you all enjoyed the 1st EA Bridge International Bridge Championship and I would like to wish everyone a safe journey back home. I would like to thank all the players for creating a great atmosphere and for contributing to the success of EA Bridge Championships.

I must acknowledge and thank some of the individuals who have contributed significantly to the success of the tournament. Tournament of such magnitude requires a huge effort from many people who are in front and at the same time many people who are working behind the scene.

Along with me there were 9 TDs who were involved to ensure that events start on time and run as per schedule. They handled all the issues to the satisfaction of players in a very diligent way. TDs involved are: Sanjay Chakraborty, Debabrata Roy Choudhury, V K Sharma, Pranab Kanta Bhattacharjee, P Narasingha Rao, K S Swaminathan, Aparajitha Iyer, CSathish Kumar and Pintu Maity.

I want to thank our Scoring Team headed by Srinivasan Iyengar whose tireless efforts ensured the smooth running of the tournament. Srinivasan was ably supported by Prithvi Singh and Kaustubh Deodhar. They ensured results were available to the participants on the TVs and LED screens spread across the entire length and breadth of the venue.

Our dealing team headed by Chetan Raval had to burn the midnight oil and was instrumental in dealing nearly 3000 Boards per day. Without their support it would be nearly impossible to run smoothly such a big tournament. Chetan was ably supported by SRC Sekar, Bansi and Kalyan.

There are many others who have contributed their services – Our Caddies and BBO Operators.

I also thank Ms Geeta Somashekharan, Ms Preethy Ken and Ms Calpurnia Premkumar and their various teams for providing unconditional round the clock support which enabled us to conduct these championships successfully.

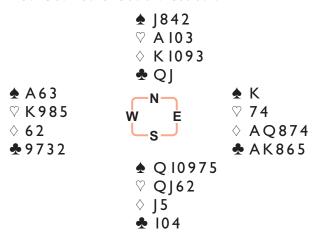

I must acknowledge and thank Mrs Kavita Singhania, MD Express Infrastructure Pvt Ltd for her unwavering support and for providing a welcoming and world-class environment to all Bridge lovers.

At this point the deals became very calm, and some small swings took the score to 111-8.

Board 25 was amusing in so far as Poland played in 2NT as NS going one down for -50, and in 1NT as EW scoring +120, a rare example of playing in the same denomination in both directions showing a profit (look at Board 15 above!).

It is generally considered that if you can restrict your opponents to an IMP a board you will win most of the time.

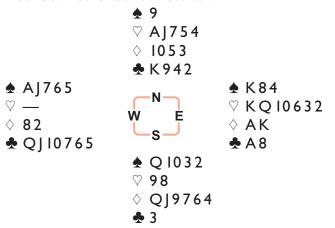

After two sessions of the final Poland had given up only 10 IMPs. It was the stuff of champions.

Return to Chennai - Battle for Bronze

Mark Horton

Waiting for the third session of the final to start I spotted this deal from the playoff for third place between Mayericks and Team Tolani:

Board 3. Dealer South. E/W Vul.

North led the $\lozenge 3$ and having won in dummy declarer cashed the $\blacktriangle K$ and played a spade to the jack. When North discarded declarer cashed the $\blacktriangle A$ and played two rounds of clubs, claiming I I tricks, +650.

Closed Room

West Acharya	North O Rimstedt	East Vaidya	South M Rimstedt

3♣	3♦	6♡	All Pass	
2♣ 0+ game for c	-♣, weak (5)6	+≎or 22+	balanced or	any

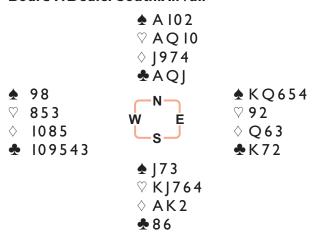

This unhappy contract was four down, -400 giving Mavericks I4 IMPs.

I imagine East though his partner was promising the

majors. Even so, he could have marked time by bidding 4♦. Were EW to have found a route to 6♠, there is reasonable chance that declarer would divine the spade position and come to 12 tricks.

When I learnt there would be no further play in the final, I checked to see if there were any more interesting deals in the third session. See what you think:

That was too high, declarer managing 11 tricks, -100.

East led the $\heartsuit K$ and for reasons that are not entirely clear West overtook it and continued with the $\heartsuit Q$, +920.

North led the $\clubsuit 4$ and declarer took dummy's $\clubsuit A$ and played five rounds of clubs discarding two heats from dummy. The $\heartsuit 9$ to the ace was followed by a heart for the ten and queen, one down, -50.

In this sequence you could play 4\,\pi_as asking for keycards.

North led the $\clubsuit 4$ and declarer won with dummy's $\clubsuit A$, played two rounds of trumps ending in dummy and the $\clubsuit Q$, ruffing when South played the $\clubsuit K$. If rumps had been 2-2 declarer could have eliminated the diamonds before playing hearts but here he drew the outstanding trump, played the $\lozenge 10$ to dummy's $\lozenge A$ and the $\lozenge 4$. When South played the $\lozenge 10$ declarer covered with the $\lozenge Q$ and was one down, no swing.

The simple way to play the heart suit is to cash the $\heartsuit A$ and then play low to the queen.

The more complex approach is to play low towards the nine. If North wins with the $\heartsuit J$ or $\heartsuit I 0$ you can try the $\triangledown Q$ on the next round, hoping to pin a doubleton honour in South or play North to have started with a doubleton $\triangledown K J / \heartsuit K I 0$.

If South puts in an honour on the first round, and you duck it, you have a guess on the next round.

It was Mavericks who claimed third place!
