OVERVIEW

EA Bridge is an initiative of Express Infrastructure Pvt. Ltd., established with the vision of strengthening the bridge ecosystem by promoting excellence, inclusivity, and greater opportunities for players across all levels.

Bridge is an internationally recognized mind sport that brings together people of all ages and backgrounds, fostering collaboration, and stronger communities. It develops strategic thinking, analytical skills, teamwork, discipline, and sportsmanship while contributing to lifelong intellectual growth and mental well-being. By promoting bridge, EA Bridge aims to inspire greater participation and elevate the profile of the sport in India and beyond.

The driving force behind EA Bridge is Ms. Kavita Singhania, Managing Director of Express Infrastructure Pvt. Ltd. A passionate advocate of bridge, she has been instrumental in creating a vibrant competitive platform through professionally organized venue-based and online tournaments, hosting six to eight events every month, in addition to prestigious annual National and International Championships - each with attractive prize money.

Over the past two years, EA Bridge has successfully organized two National Bridge Championships. It's inaugural International Bridge Championship in 2025 attracted approximately 97 teams, including participants from several countries, establishing the championship as a significant event on the global bridge calendar.

Building on this success, the EA Bridge International Bridge Championships 2026 marks the second edition of the championships featuring an impressive **prize pool of INR 1.5 Crore (USD 150,000)**. The championship is unique in the global bridge community as the only international bridge event to be hosted within a shopping mall—Express Avenue Mall, Chennai. Held at the mall's Central Atrium, the event allows members of the public to witness world-class bridge from designated viewing areas while maintaining a professional playing environment with carefully managed silent zones.

Scheduled from **7–13 September 2026**, the championship will feature a comprehensive lineup of events, including:

- Gold Teams ● Silver Teams ● Open Pairs ● Swiss Teams ● IMP Pairs ● Swiss Pairs
- Mixed Pairs ● Ladies Pairs

The Gold Teams, Mixed Pairs, and Match Point Pairs categories are recognized as official ranking events, further enhancing the championships.
